Come rain or shine, we will be providing a cool space with seating, tables and great atmosphere for all ages, and our café/bar will be available for beer, wine, soft drinks and more. This is a great opportunity for families and friends to come together, enjoy great food from around the world in a welcoming space, while also supporting what we do at the arts centre”.

Rachel Price of Sudbury Town Council comments:

“There really is something for everybody at our inaugural Street Food Festival, we felt it was time to bring together some of the excellent food businesses we have locally. This is as much a celebration of cultural diversity as it is delicious food with almost every continent represented right here in Sudbury.
